Michael Poradek Announces Campaign for Green Bay City Council (District 11)

(GREEN BAY, WI) Green Bay resident and neighborhood leader Michael Poradek has announced his run for Green Bay City Council for District 11 on the city's west side.

Born and raised in the Green Bay area, Poradek has been a homeowner in the district since 2013. He currently serves as both President of the Fireman's Park Neighborhood Association and Secretary of Green Bay Neighborhoods. After graduating from St. Norbert College (De Pere, WI) and pursuing graduate studies, Poradek has had over a decade of professional leadership experience in both higher education and nonprofit administration.

Poradek shared that he decided to run especially after encouragement from neighbors in the district. "I am humbled by the support of my friends and neighbors, and am looking forward to the opportunity to serve as a new voice on the City Council," said Poradek. "It would be a privilege to serve the community that I am proud to call home."

Poradek's platform focuses on public safety, alder/resident communications, economic growth, city infrastructure, and community development, saying "I plan to remain focused on local issues that impact us on a daily basis. We need to work collaboratively as a city on finding new and creative solutions to move our city and neighborhoods forward, especially following the impact of the pandemic."
